### **Guest speaker for March meeting (10<sup>th</sup> March, 2020):**

Unfortunately, our planned Guest Speaker for March (a crime reporter for the Age) may be unable to make it at the time our Newsletter goes to print. This may change at very short notice, and we apologise in advance.

We do have an alternative if needed however, and we are pleased that Steve Roberts has stepped up and offered to give us an interesting talk on his trip through Canada and Alaska last year, and share some wonderful photos too.

In any case, you won't be disappointed so please come along, all welcome!

### **Guest speaker for February meeting (11<sup>th</sup> February, 2020):**

Guest Speaker: is **Tiffany Johnson - A Survival Story**

Twenty years ago, Tiffany survived a horrific accident that took the lives of 21 others including 14 Australians.

The Chelsea resident at age 21 was on a trip to Europe on a Contiki tour, and took part in an optional activity of canyoning in Switzerland.

She will share her story and experience. Tiffany has written a book of this journey called "Brave Enough Now". Copies will be available.
